CHAIRMAN'S MESSAGE

• Dear Parents, Students and Members .

It is with great enthusiasm and pride that I extend a warm welcome to each of you as the Director of Modern Darbhanga Public School. My name is Prabhakar Kr. Singh, and I am honored to be a part of this vibrant and dynamic educational community.

At Modern Darbhanga Public School, we are dedicated to fostering an environment where each student can thrive academically, socially, and personally. Our commitment to excellence in education is unwavering, and we strive to create an atmosphere that encourages curiosity, critical thinking, and a love for learning.

Our vision at our school is to empower students to become compassionate and well-rounded individuals who are prepared to meet the challenges of a rapidly evolving world. We believe in the values of integrity, respect, and collaboration, and these principles guide everything we do.

As we embark on this academic journey together, I want to express my deep appreciation for the support of our parents, the dedication of our talented educators, and the enthusiasm of students. It is through a collaborative effort that we can create an educational experience that truly makes a difference in the lives of our students.

I encourage parents to actively engage in their child's education and be part of our school community. We have an open-door policy, and I welcome your feedback, suggestions, and involvement in our various school activities.

In the coming months, we have exciting initiatives and projects planned to enhance the learning experience. I am confident that, together, we can achieve great success and create lasting memories for our students.

Thank you for entrusting us with the education and well-being of your children. I am excited about the opportunities that lie ahead, and I look forward to a productive and fulfilling school year.

Warm regards,

Mr. Prabhakar Kumar Singh

IN BRIEF & ABOUT US

MODERN DARBHANGA PUBLIC SCHOOL

Academic programs at Modern Darbhanga Public School have always been given the highest prioritizes by-both the school's dedicated teachers and the administration. In the School, the core knowledge, Sequence, provides the foundation for the curriculum.

STEP TO A BETTER FUTURE

1. Setting clear goals
2. Developing a plan
3. Prioritizing actions
4. Identifying your passions
5. Continuously learning and adapting

ABACUS Integrated Curriculum

Step up school has introduced ABACUS in its core curriculum of academic session, from Grade 1 onwards, to enable students to excel in the complex world of Mathematics for which regular classes are conducted during school time.

On Campus Olympiad Training

Step up School provide On-Campus training of Olympiad for the students to prepare them not only for the upcoming exams but for tests of the real world.

Well Equipped Labs

The school has a well equipped composite science laboratory with separate sections for Physics, Chemistry and Biology Laboratory.

Physics Laboratory: The school has a well-equipped physics laboratory. In the laboratory, efforts are made to provide individual learning and experimentation time to the students to develop a high order of practical skills, analytical abilities and the opportunities to learn by doing.

Chemistry Laboratory: We have a well-planned, fully –equipped and spacious laboratory. Acid-proof workstations fitted with L.P.G Borosil glassware, electronic balances are some added advantages. All necessary facilities are available for ensuring effective safety in the laboratory.

Biology Laboratory: A well-equipped and spacious Bioscience section has been established, having all ultra-modern facilities. Wide range of plants and animal specimens are available. Superior quality microscopes, chemical balance and water bath are available for effective experimentation. Facilities for performing dissections are present as per the modern standards. High quality preservatives like formalin are available for students to prepare their own specimens. Tool for First Aid are provided as a precautionary measure.

Wide Array of Sports

Step up school encourages students to participate in various sports activities, and promotes team spirit. We beleive playing sports with classmates build unbea--table confidence, develop muscle strength, and in culcate a sense of pride and self esteem.

Online Classes

Step Up School has been successfully conducting online classes since the starting of the session.

ADMISSION PROCEDURE

All children being registered are expected to appear for a written examination comprising 4 (four) papers, viz. English , Hindi , Mathematics & General Awareness.(except for children of classes L.K.G., U.K.G. & I) along with a separate interview is mandatory. Failure to appear the entrance Examination / Interview without valid reason & prior intimation will cause the registration to lapse.

Academic Evolution

Promotion to the next class is based on cumulative assessment over the year taking into account all terminal examinations, oral tests, projects, class work, homework & curricular activities. Passing mark is 40% The teacher's assessment will be deemed as final. In the event of any queries the management reserves the right for it.

Parents Teacher Interaction

A part from the teaching community, education is a combined effort of parents and the society. PTM's are organized regularly to hear and understand problems if any.

Day School

Students arrive at 8 am in the morning and leave at 2 pm. They carry their own Tiffin boxes. Transportation facilities are available for those students who need it

Personality Development

The school emphasizes on an all round personality development program. Good personality is like a hinge to the door of success and cannot be got overnight. We therefore train students to enhance their personalities.

Medical Checkup

All our students are subject to regular medical check –up's to ensure that our children have optimum growth at all stages of their growing cum academic years.

Faculty

The faculty of **Modern Darbhanga Public School** shapes its special character. Each faculty member is both a teacher and a scholar, an expert in his or her own field. The faculty of **Modern Darbhanga Public School** consists of 11 full time highly qualified teachers, who have extensive teaching experience in their respective fields.

Kids Activity Area

In the Pre-Primary Wing, a kid's play area has been created, equipped with various battery-operated cars, bikes and other life-size toys for young kids to enjoy and recreate.

Computer Facility

The 21st century student's basic need is to not only be literate but also be computer savvy. Desktops, laptops, printers and internet are part of the facilities to be provided.

Library

Equipped with numerous text books for reference, our library also boasts of numerous books covering various fields so that enrichment of the mind at all levels can be easily achieved.

OUR VISION

1.To develop confident, responsible, and well-rounded individuals who aspire to achieve their full potential 2.To create a safe, inclusive, and welcoming learning environment that celebrates diversity 3.To inspire a passion for learning, leadership, and service 4.To create global minds on Indian soil 5.To provide opportunities to create global citizens and leaders of tomorrow

OUR MISSION

School provides a holistic education in a conducive school climate and home environment which leads to nurturing in student's resilience and a sense of personal responsibility and the ability to celebrate diversity, to develop leadership with integrity.
